

Property Tax Search Sources

Search Available Municipalities (Includes Summer and Winter Tax Amounts & Taxable Values)	https://is.bsasoftware.com/bsa.is/SelectUnit.aspx#L
--------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------

Many Michigan property tax records are available online – free – at the above internet address. If a green dollar sign is shown, there is a fee to access the information.

It is NOT necessary to set up an account or create a user name for this site. You can use the site without an account.

Step by step demonstration:

Welcome Screen

Click on “City of Alpena” (Note – no green dollar sign!)

Left Menu – click on “Tax Information Search”

You can search by Owner or by Street Name then number. For this example, let’s just put in the last name “Brown”.

Click Search.

There are 3 pages of “Browns” for Alpena. Let’s look at Charles Brown..click on his Parcel Number.

Scroll down.

Click on the Plus sign to view any tax statement. You can find the taxable value and school district code.
